

Benefits: Today & Beyond?

BENEFITS
THIS WAY

Multiples of America is the national connector for clubs, the common ground to come together and network with other parents. Our organization offers many benefits to our local club members. The columns to the right list just a few.

For a number of years, we have faced economic challenges. Yet during the pandemic, Multiples of America remained ready, continuing to offer services to our local clubs and their leadership

As we return to normal, increased funding is urgently needed to continue offering the caliber of benefits we've built over the past 60+ years. This additional capital will ensure we move beyond today in continuing to build services in supporting clubs and parents across the nation.
