

Slate of Self Nominations

Multiples of America 2021-2022

Nominating Chairman and Committee

Nominating Chairman: Mary Adcock

Volunteers power our organization as well as our local clubs: sharing their talents to write, plan, design, create, figure, review, reach out, comfort, share, and so much more. It's truly amazing! Each year, Nominating has the important job of assembling a team of national volunteer workers and elected officers to do all that, and now more than ever we need members who will join in as we transition beyond the pandemic and look for new ways to carry our organization forward. I have been fortunate to serve in many positions at the local, state, and national levels for nearly 30 years, and if elected, I would value the opportunity to lead and work with this Nominating team as they meet the challenges of recruitment and slating.

Nominating Committee #1

Diana Knollman

Serving as a page during the last few conventions have given me a unique point of observation to watch the interactions between our membership and the board. With the challenges of COVID-19 came new problems and new solutions that our board had to resolve quickly and efficiently to maintain the operations of Multiples of America. Having a well-balanced Board of Directors to serve the membership will be critical to maintain sustainability of our organization. It is very important for there to be cohesion amongst the board members and a mutual respect between board and membership. Being able to understand all points presented during a discussion and allow all sides to be heard is a quality that I would be looking for in someone interested in running for office. Being able to acknowledge the importance of the past as well as encouraging new ideas is also an area where serving as a board member would be a strength.

Nominating Committee #2

Donna Miller

Since 1989 in Charleston, SC where my local club hosted a luncheon at convention, I have been involved with Multiples of America serving on Education, Research, Scholarship and Nominating Committees as well as being a delegate, teller and timekeeper at conventions. While on the Education and Research Committees I was a board member working with others for the good of this organization. My heart is with this organization, and I want to help choose the best to lead us.

Nominating Committee #3

Diane Graves

Being on the Board of Directors for 15 years gives me a unique perspective on what is necessary to be successful in serving on the Executive committee. Now that I step back from that role, I feel the Nominating committee will also give me an opportunity to delve into the issue of making recruiting a priority for Multiples of America. It would be my honor and privilege to serve the organization in this capacity, and I will do so to the best of my ability.

Nominating Committee #4

Kim England

I have volunteered on all levels for this organization for over 25 years. I am a Past President from 2017-2019 and understand the importance of strong and capable leadership this organization needs to succeed for many years to come. I have served on this committee in previous years and would consider it an honor to serve in this position again.

Nominating Committee #5

OPEN - Nominations from the floor will be accepted during the Virtual Summit. Any interested candidate(s) must have a Volunteer Form on file with the Nominating Committee and meet position requirements.

EDGE and Scholarship Chairmen

Scholarship Chairman: Pamela Krell

- This organization holds a special place in my heart and so does Marge Ainsworth, who was the first National President and the founder of my local club. It would be an honor to continue to serve as a volunteer of this organization. It has been a privilege to serve on the Scholarship Committee and to have previously been the Scholarship Chairman to assist in the process of guiding the Scholarship Committee as they review and determine the most qualified applicants to be awarded a scholarship each year. Thank you for your consideration to elect me to serve in this capacity again.

EDGE Chairman: Shenen Dietrich

I am seeking election for the position of EDGE Committee Chairman for the 2021-2022 term. I have learned so much regarding the election process of MOA working as Nominating Chairman for the past two years. I have held various positions on the local level including President, National Representative and Sale Co-Chair of Phoenix Valley Mothers of Multiples. I then have moved on to the national level including Scholarship, Nominating, and Research Committee members, along with a position as the Corporate Sponsorship coordinator. I truly feel blessed having found a home in Multiples of America and look forward to serving this amazing organization it in the coming years.

Elections for these positions will be held during the Virtual Summit. Thank you to these candidates for submitting their volunteer forms and for their willingness to serve Multiples of America. If you have any questions about this process, please contact the Advisor at advisor@multiplesofamerica.org
