Carol Molyneux

EDGE Chair Nominee

Mountain States Mothers
of Adult Multiples (AZ)

My name may sound familiar to you as someone who has been involved with the Endowment Fund in the past. For a number of years, as a committee member and Chair of EDGE, I worked with other dedicated members to promote exactly what the name of the committee says, "Enrichment, Development, Growth, Endowment".

The last couple of years have certainly been difficult and have resulted in ever changing priorities. This year, I am putting my name in for Chair of the EDGE Committee, with the intent to bring this endeavor back to the forefront of this Organization.

If elected, I hope many of you will agree to volunteer to work with me and help to re-educate, re-visualize, re-invigorate and re-prioritize this Endowment Fund.

Diane Graves

*Nominating Committee
Nominee*

St. Louis MOMS (MO)

For the past year, I have served on the Nominating Committee. I thoroughly enjoyed the experience and would like to continue in that role this upcoming term.

Having served on the Board of Directors for 15 years, I have an excellent knowledge of what is required to succeed in that role. I also feel like I provide the committee with excellent background on the positions and their requirements.

The past term certainly had its challenges. I feel our team met these challenges head-on with a genuine passion for Multiples of America. This passion is what motivates me to be a National Worker. This passion is what we need to seek out in our future workers and board members alike.

If elected, I promise to serve to the best of my ability and look forward to continuing to serve Multiples of America on the Nominating Committee.

Susan Stump

*Nominating Committee
Nominee*

York White Rose Mothers
of Twins and Triplets (PA)

I'm Susan Stump, a lifetime member of the York (PA) White Rose Mothers of Twins and Triplets Club.

I have served as the Multiples of America Resource and Publications Coordinator for four years. This past term I served on the Nominating Committee and learned a lot about the process of choosing the slate of officers. I would like to continue to serve as a member of the Nominating Committee this term. Thank you for considering me for this position.
