### **Support Gift and Give Multiplied; Make A Difference for Parents of Multiples**

Franklin, TN – When it’s 2 a.m. and you’ve spent the last hour trying to calm two babies who won’t stop crying, desperation sets in. Not really time for a Facebook chat, but how about a phone call, a connection with a fellow parent of multiples who lives nearby?

Local clubs provide those vital connections for members of Multiples of America. They are the go-to place for parents looking for the answer to how to calm two crying babies. They are source for information and resources when parents are faced with a decision as to whether to place their multiples in the same or separate classrooms when they start kindergarten. Some of our members say it best:

*The women of my club “opened up their arms, their hearts, and their homes to me...and I love knowing that as I’m going through my different stages, I can reach out to any of these women...for help at any time.”*  
Taryn Krekeler, Temecula Valley Moms of Multiples (CA)

*“It is amazing because we don’t just support each other, we support each other’s kids and families.”*  
Cara Kusnic, TCMOMs (NC)

*“If I had to describe our club, I would say: Acceptance, loving, and family.”*  
Justine Wakim, Temecula Valley Moms of Multiples (CA)

Local clubs don’t have to do it all alone. Multiples of America supports their work. Multiples of America offers support and services in specialized areas, such as Special Needs, Single Parenting, Higher Order Multiples, and Bereavement. They provide information and resources to address areas unique to multiple parenting, including needs of expectant mothers of multiples and classroom placement. They share results of research in areas related to raising multiples.

The Gift and Give Multiplied campaign helps fund the work of Multiples of America. The campaign runs Nov. 15-29, 2022. Donations during that time can be targeted toward specific giving needs or offered as a general donation. The target goal for donations from the campaign is \$2,000.

An anonymous donor will match each donation up to that \$2,000. goal. So every dollar given is multiplied!
