CLUB SPOTLIGHT

CLUB

About Them

Leighanne Ludington, president of FCMOM (Northern Virginia area), did not hesitate twice to answer what makes this club so special... In her words, FCMOM is special because of the caring supportive community that has been created and passed down from generation to generation of FCMOMs. With the commitment of a passionate and dedicated volunteer board, there are endless opportunities provided for their members to connect and support each other and help normalize life raising multiples. Lasting friendships are formed and FCMOMs choose each other as their village.

Other Amazing Things

FCMOM provides endless opportunities to members and their families to connect throughout the year. Every month they host New & Expectant meetings followed by general meetings for members where they have guest speakers. They do community service projects, build crafts, have game night and network through a variety of activities. FCMOM's favorite event happens every June at the end of the year banquet to close out the club year and celebrate with each other!

... Even More

FCMOM hosts two sales, giving members the opportunity to sell their gently used baby and children's gear, first to each other, then to the public followed by a donation collection of unwanted items to other non-profits. The members love to give back to their local community by organizing an annual Thanksgiving food drive and a holiday gift drive. All of these opportunities are funded through the great online auction that they host once a year, along with member support and some really great Partnerships.

Make sure to check them out and learn more about our wonderful clubs and members across the country.

Congratulations to Leighanne, the rest of the FCMOM Board, and all their members!
