

Fundraiser Support for Local Clubs

By Amy Bredemeyer
Finance Vice President

Someone from Florida can't easily swing through a California club's car wash, pop in for a Pennsylvania pancake breakfast, or purchase some plants in Plano to support your fundraiser. BUT, if you have a certain time period where your club is selling gift cards for a national chain, conducting an online auction, or coordinating orders for multiples-specific swag, let us know!

Email finance@multiplesofamerica.org your fundraiser details for publication in *Multiple Connections* and get the news out to thousands of families outside your local club! Plus, watch to see what other clubs are doing to develop fresh ideas, too.

We'd love to help member clubs reach their goals this year, so reach out as soon as you have something planned so we can coordinate placement in the appropriate issue of our e-newsletter.

The two fundraisers below offer details about tickets to Orlando-based attractions.

Enter to win tickets to Disney AND help Multiples of Illinois at the same time! All proceeds will be split between the Multiples of Illinois (MOI) 2023 Convention Fund and the MOI Philanthropic efforts for the Dynamic Del Valle family. Click [HERE](#) to read all about the Del Valle family!

We have TEN tickets to raffle with 3 different chances to win! Each of these raffles will be for 2 or 4 one-day tickets to Walt Disney World (with a park-hopper add-on option). Tickets expire June 17, 2024 (Blackout: 12/25-12-31). Details for each raffle are below. Try your luck at one or all three raffles!

Each link is specific to that raffle only and non-winning entries are not transferred to future drawings.

Please fill out the form linked below in its entirety. Once submitted, you will receive an email with payment information.

Raffle ticket orders will only be validated when payment has been received via Zelle. Payments must be received by the deadline below to be entered. If you are unable to pay via Zelle, please reach out to communications@dupagedoubles.com to arrange alternate payment.

Winners will be posted on our public Facebook group (Multiples of Illinois Annual Workshop & Convention) and notified by email. Winning Tickets will be sent via U.S. mail within 2 business days of the drawing.

Thanks so much for your interest and support! GOOD LUCK!
