National Rep & More Rally

This Zoom Connect was a chance to focus on how the National Reps for our local clubs and others are helping their members become more aware about the services, supports, and events provided by Multiples of America. Local club representatives also shared some of their club's strategies for increasing membership and staying in touch with members.

- Lorrie Seigel, Multiple Miracle MOMs (CA), says she encourages her club members to join one of Multiples of America's Facebook pages in order to stay up to date with national events and news. She also reshapes some posts onto the club Facebook page. Lorrie also talks about how her club conducts business meetings, arranges moms social events and kids parties.
- Christine Waggoner, Phoenix Valley MOMs (AZ), shares that texting is the preferred communication strategy for her club members with social media being a second choice. She also describes the New MOMs Mingle held by the club every quarter as a way of connecting with prospective members.
- Various participants shared how their club structures annual dues.

This zoom forum was held October 11, 2023.
