Essential Documents & Conversations

Missy Khan, Finance Vice President and an accomplished attorney who represents health care providers throughout Texas, shares information about essential documents for many seasons of life: parenting children, caretaking parents, assisting with grandchildren, and more.

Missy admits having conversations about these essential documents is awkward or sometimes even difficult. However, she urges us to consider that gathering and recording the information is “a gift you leave to your family to alleviate some of the stress.”

Missy’s presentation includes information on:

- Emergency Contact Lists
- Password Lists
- Child Medical and Travel Consent Forms
- Seatbelt Tags
- Durable Power of Attorney
- DNR Directives
- Funeral Planning
- Asset Locations

....and more
