Welcome to membership in Multiples of America!

We appreciate your membership and look forward to counting the ways in which our national organization, along with your local club, can support you in your journey of parenting multiples.

Above all, know that you are not alone! Email us, post a question on one of our social media sites, call or text a local club member. We've got information, gatherings, and support services that can be a help.

This toolkit provides resources to welcome you and to briefly introduce you to the services and benefits of Multiples of America. If you want to know more, check through the rest of the Members Only Center. Look through the emails or publications you receive from us, or reach out to your club's National Representative.

You are now part of a local, national, international (and even regional or statewide, in some locales) fellowship of parents. Welcome, we're so glad you joined us!
