Dear Member,

Welcome! We congratulate you for joining your parents of multiples club. You will find support and friendship. Words cannot describe the wonderful experience that this journey has meant for so many of our members and what it could mean to you. You will find resources, a listening ear, advice, help from other members, and connections that last through all the stages of parenting multiples. It is a lifelong experience ... from the pregnancy stage to being an empty nester and beyond.

Your local club will probably be your first go-to. However, one of the wonderful benefits is that by joining your club, you also become a member of a national organization, Multiples of America. You can access resources and research. You can connect with other families of multiples throughout the United States, and even at the international level since we are part of the International Council of Multiple Births Organization (ICOMBO).

We also partner with other organizations to offer a wealth of support for you and your multiples! We offer resources for school placement, special needs parenting, single parents, higher order multiples, and LGBT, and bereavement support.

We are so glad you joined. We look forward to serving you and your club. Reach out to us. We're here for you.
