

PARTNERS CAN HELP WHEN COMPLICATIONS ARISE

NICU AWARENESS

Dedicated to empowering and supporting families of fragile infants. NICU Awareness, through Project Sweet Peas, provides mental health worksheets, bereavement support, a Facebook forum and other resources.

FETAL HEALTH FOUNDATION

Offers hope and new beginnings to families who are faced with a fetal syndrome diagnosis. The foundation supports families, funds life-saving research, increases fetal-syndrome awareness and shares leading medical information on fetal syndromes.

NATIONAL PERINATAL ASSOCIATION

The National Perinatal Association (NPA) brings together parents, health professionals, and providers who are interested in pregnancy and newborn care to share, to listen, and to learn from each other. NPA provides free, research-based resources on breastfeeding, mental health, NICU parenting, and RSVP.

THE TAPS FOUNDATION

Focused on raising awareness of TAPS (Twin Anemia Polycythemia Sequence) and supporting families who are faced with a TAPS diagnosis. The foundation offers webinars, provides information on diagnosis and treatment options and on assisting TAPS children as they grow, hosts a Facebook discussion group, and supports ongoing research.

LILY'S HOPE FOUNDATION

Provides emergency support for families with premature babies. The foundation sends free packages of hope to families with babies in the NICU or transitioning home. Sibling care packages are also provided.

SKYLAR PROJECT

Provides NICU survival bags, gas gift cards, Sky's Angel boxes, lactation support, an online blog, and a 24/7 NICU peer support line. Services are primarily in the Mobile, AL area.

SUPERHERO PROJECT, INC

Works to bridge the gap between home and hospital for families with babies in the NICU. Has provided Angel Eye technology to hospitals in several states, supports a "lullabies of love" program, and supply closets. Offers mom care and NICU graduation packages.

GRAHAM'S FOUNDATION

Provides education and support for preemie parents. Care packages, preemie parent mentors, a free MyPreemie app for charting milestones, and loss and remembrance support.
