Multiples of America Announces Tod Lewis Law, PLLC as New Sponsor

Franklin, TN – Multiples of America is pleased to announce Tod Lewis Law, PLLC has signed as a platinum sponsor of our organization. The sponsorship will help support the work of Multiples of America in raising awareness about the unique challenges of parenting twins, triplets or other higher order multiples.

One of those possible challenges, multiples credit mixing, is a focus of work for Tod Lewis Law, PLLC.

"Have your adult multiples become 'mixed' together on their credit reports?" queried Lewis. "They need to check right away, don't wait until they need to buy a car or a house."

"Most folks don't know what to do or who to call when they experience this financial dilemma," he noted. "I chose to be a sponsor of Multiples of America in order to spread the message of this 'multiples mixing.'"

"I can help make sure the problems are fixed, and also make sure multiples are fully compensated for any financial damage that has occurred, without incurring any out-of-pocket attorney fees or expenses" he added.

Through his sponsorship, Lewis will share information about multiples mixing with the members of Multiples of America, and he will connect with members in person at the annual convention.

Multiples of America offers sponsorships at the platinum, gold, and sterling levels. Each sponsorship comes with specific opportunities to connect with members of Multiples of America and to support the organization's mission. Find out more about sponsorships at:
