

A Message for National Representatives

By Judy Gorin

Research & Membership Development

As the annual Multiples of America convention is getting closer, hopefully there's someone from your club planning to attend: your President, National Representative or any member of your club. It's a great way to learn about Multiples of America and meet other multiple parents from across the country.

As a longtime convention-goer, I look forward to reconnecting with members I have known for many years and to meeting first-time attendees. I hope to see you there! The registration deadline is June 10.

As your club's national representative, please go over the proposed bylaws, budget, and election information with your fellow club members. In April, your club received this information in the Election mailing, sent via email.

Your club also should have received a Credential mailing, sent via email. Complete and return the credential card to the Executive Office by June 10.

Lastly, your club received a Dues Renewal mailing, sent via email. This mailing has information about how your club renews membership for the 2024-2025 membership year. Clubs renewing by June 30 are recognized as ELITE.

The Dues Renewal mailing also included a lot of information about new services and upcoming events. Please remember to share this information with your local club members at your local meetings or electronically if your club has a Facebook account or club newsletter.

June 10 – Convention registration and credentials deadline

June 30 – ELITE club status dues renewal deadline

July 25–27 – 63rd Annual Convention – The Brown Hotel, Louisville, KY

If you are your club's National Representative and have further questions, please contact Judy Gorin, National Representative Liaison, at rmdast5@multiplesofamerica.org.
